

## **Farmers Market to Debut in Long Grove**

Plans are underway for a weekly Farmers Market in Long Grove on Sunday mornings from June 13 through October 17. The market will run from 8 am to noon every Sunday and will feature a mix of local and Midwest-grown produce, food products, flowers, wines and meats. The market will be located in the north end of the historic village near the Village Tavern.

In addition to quality vendors selling fresh produce and foods, Long Grove's Farmers Market will feature several different one-of-a-kind artisans each week. Also, each week a different local charity will have an opportunity to participate.

The Farmers Market is a natural extension of Long Grove's heritage as a farming community and the increasing commitment to purchasing locally grown produce and goods.
